Photo Brut: Collection Bruno Decharme & Compagnie

When: through June 6

Where: American Folk Art Museum (2 Lincoln Square, Upper West Side, Manhattan)

The American Folk Art Museum turns its focus to self-taught photography with a survey of photographs largely culled from the collection of French film director and longtime Art Brut collector Bruno Decharme. Spanning more than a century, the photos on view include examples by better-known artists such as Henry Darger and Steve Ashby as well as contributions by unidentified UFO and spirit photographers.
